RE: Undergraduate Student Survey on Instruction by Professor Stamm

Your response to this survey is being requested as part of the tenure and promotion review of Assistant Professor Stamm. Your responses will be collected by the student(s) administering this survey, and will be seen **ONLY** by them. Anonymized quotes from these surveys may be used in a report that forms part of the tenure and promotion evaluation process, but these quotes will be selected to ensure that no individual may be identified, either directly or indirectly.

Q1: What is your opinion of Professor Stamm as a teacher and educator?

Q2: How does Professor Stamm compare with other instructors you have had as teachers at Drexel?

Q3: Do you have any additional advice or input that the promotion and tenure committee can use in its deliberations?
